

DO NOTHING	Receive no payment. You will, however, still be a Member of the Class, which means that you give up your right to ever be part of any other lawsuit against the Defendant or any other Released Persons about the legal claims being resolved by this Settlement and you will be bound by any judgments or orders entered by the Court in the Litigation.

SUMMARY OF THIS NOTICE

Statement of Class Recovery

Pursuant to the Settlement described herein, a \$6.5 million settlement fund has been established. Based on Lead Plaintiffs' estimate of the number of shares of SAIC common stock allegedly damaged during the Class Period, the average distribution per share under the Plan of Allocation is roughly \$0.12, before deduction of any taxes on the income earned on the Settlement Amount, notice and administration costs, and allowable expenses as determined by the Court. **Class Members should note, however, that these are only estimates.** A Class Member's actual recovery will be a proportion of the Net Settlement Fund determined by that claimant's claims as compared to the total claims of all Class Members who submit acceptable Proofs of Claim. An individual Class Member may receive more or less than this estimated average amount. See Plan of Allocation set forth and discussed at pages 10-12 below for more information on the calculation of your claim.

Statement of Potential Outcome of Case

The Settling Parties disagree on both liability and damages and do not agree on the amount of damages that would be recoverable if the Class prevailed on each claim alleged. Defendant has denied and continues to deny specifically each and all of the claims and contentions alleged in the Litigation. Defendant denies that it is liable to the Class and denies that the Class has suffered any damages. The issues on which the Settling Parties disagree are many, but include: (1) whether Defendant engaged in conduct that would give rise to any liability to the Class under the federal securities laws; (2) whether Defendant has valid defenses to any such claims of liability; (3) the appropriate economic model for determining the amount by which the price of SAIC common stock was allegedly artificially inflated (if at all) during the Class Period; (4) the amount, if any, by which the price of SAIC common stock was allegedly artificially inflated (if at all) during the Class Period; (5) the effect of various market forces on the price of SAIC common stock at various times during the Class Period; (6) the extent to which external factors influenced the price of SAIC common stock at various times during the Class Period; (7) the extent to which the various matters that Lead Plaintiffs alleged were materially false or misleading influenced (if at all) the price of SAIC common stock at various times during the Class Period; and (8) the extent to which the various allegedly adverse material facts that Lead Plaintiffs alleged were omitted influenced (if at all) the price of SAIC common stock at various times during the Class Period.

Statement of Attorneys' Fees and Expenses Sought

Lead Counsel will not seek an award of attorneys' fees but will apply for an award of costs and expenses not to exceed \$340,000, plus interest earned on the awarded amount at the same rate as earned by the Settlement Fund. Since the Litigation's inception, Lead Plaintiffs' Counsel have expended considerable time and effort in the prosecution of this Litigation on a wholly contingent basis and have advanced the expenses of the Litigation with no expectation of payment unless they were successful in obtaining a recovery for the Class. In addition, Lead Plaintiffs have expended considerable time and resources in leading the prosecution of this Litigation since their appointment by the Court. Accordingly, as part of Lead Counsel's application for an award of costs and expenses, Lead Plaintiffs may seek reimbursement of their time and expenses in representing the Class in an amount not to exceed \$20,000 in the aggregate. These expenses, if requested and awarded by the Court at the maximum amounts identified in this paragraph, amount to an average cost of approximately \$0.007 per allegedly damaged SAIC common share. The average cost per damaged share will vary depending on the number of acceptable Proofs of Claim submitted.

Please Do Not Call the Court or the Defendant with Questions About the Settlement.

Reasons for the Settlement

Lead Plaintiffs' principal reason for entering into the Settlement is the benefit to the Class now, without further risk or the delays inherent in continued litigation. The cash benefit under the Settlement must be considered against the significant risk that a smaller recovery – or, indeed, no recovery at all – might be achieved after contested motions, trial, and additional appeals, a process that could last several years into the future. For Defendant, which has denied and continues to deny all allegations of liability, fault or wrongdoing whatsoever in connection with this matter, the principal reason for entering into the Settlement is to eliminate the uncertainty, costs, and burdens inherent in any litigation, especially in complex cases such as this Litigation. Defendant has concluded that further conduct of this Litigation could be protracted and distracting.

BASIC INFORMATION

1. Why did I get this notice package?

This Notice was sent to you pursuant to an Order of a U.S. Federal Court because you or someone in your family or an investment account for which you serve as custodian may have purchased or acquired SAIC common stock during the period from March 25, 2011, through and including June 2, 2011 (“Class Period”).

This Notice explains the class action lawsuit, the Settlement, Class Members' legal rights in connection with the Settlement, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the Litigation is the United States District Court for the Southern District of New York, and the case is known as *In re SAIC, Inc. Securities Litigation*, Master File No. 1:12-cv-01353-DAB. The case has been assigned to the Honorable Deborah A. Batts. The pension funds representing the Class are the “Lead Plaintiffs,” and the company they sued (Leidos, Inc., formerly known as SAIC, Inc.), which has settled, is called the Defendant.

2. What is this lawsuit about?

The Litigation is pending before the Honorable Deborah A. Batts in the United States District Court for the Southern District of New York. The initial complaint in this action was filed on February 22, 2012. On June 14, 2012, the Court appointed Lead Plaintiffs and Lead Counsel. On August 30, 2012, Lead Plaintiffs filed their Amended Class Action Complaint for Violations of the Federal Securities Laws (“Complaint”), which alleged claims on behalf of a putative class of purchasers of SAIC common stock between April 11, 2007 and September 1, 2011, inclusive.

Specifically, the Complaint alleged that Defendant and the Former Defendants violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 by, *inter alia*, issuing false and misleading statements and failing to disclose loss contingencies and uncertainties associated with an overbilling scheme, perpetrated by two former employees and others, that defrauded New York City out of hundreds of millions of dollars in connection with the CityTime Project over a multi-year period. The Complaint further alleged that as a result of Defendant's material omissions, SAIC common stock traded at artificially inflated prices.

On November 9, 2012, Defendant and the Former Defendants filed Motions to Dismiss the Complaint. Lead Plaintiffs filed their opposition to the motions on February 8, 2013, and Defendant and the Former Defendants filed their replies on March 25, 2013. On September 30, 2013, the Court denied the motions to dismiss with respect to two claims alleged against Defendant based on the alleged CityTime-related omissions, and granted them with respect to the Former Defendants.²

² On September 9, 2013, Lead Plaintiffs requested the Court to schedule a pre-motion conference in connection with an application to partially lift the automatic stay of discovery imposed by the Private Securities Litigation Reform Act of 1995 during the pendency of the motions to dismiss. On September 16, 2013, Defendant opposed the request. On September 30, 2013, the Court denied the request as moot when it rendered its decision on the motions to dismiss.

On October 15, 2013, Defendant moved for partial reconsideration of the Court's decision on the motions to dismiss, which motion was opposed by Lead Plaintiffs on October 25, 2013. Defendant filed its reply on November 4, 2013, and on January 30, 2014, the Court granted the motion for reconsideration and dismissed the Litigation.³

On March 4, 2014, Lead Plaintiffs filed a motion to vacate the judgment to reinstate the dismissed claims against Defendant and/or for leave to further amend the Complaint, together with a [Proposed] Second Amended Class Action Complaint for Violations of the Federal Securities Laws. Defendant filed an opposition to the motion on April 2, 2014, and Lead Plaintiffs filed their reply on April 18, 2014. On September 30, 2014, the Court denied Lead Plaintiffs' motion to vacate or amend, and on October 30, 2014, Lead Plaintiffs filed a Notice of Appeal to the Second Circuit Court of Appeals.

On February 11, 2015, Lead Plaintiffs filed their opening brief in the Second Circuit Court of Appeals, and on May 13, 2015, SAIC and the Former Defendants filed their answering brief. On June 22, 2015, Lead Plaintiffs filed their reply briefs, and oral argument on the appeal was held on October 6, 2015. On March 29, 2016, the Second Circuit reinstated the two claims alleged against Defendant based on the alleged CityTime-related omissions and affirmed the dismissal of others. The Second Circuit Court of Appeals also confirmed that the Class Period begins on March 25, 2011.

On April 12, 2016, Defendant filed in the Second Circuit Court of Appeals a Petition for Panel Rehearing and Rehearing en Banc. The Second Circuit denied the petition on August 2, 2016.

On September 6, 2016, Defendant requested a pre-motion conference in contemplation of a motion establishing that the Class Period must end on June 2, 2011, instead of September 1, 2011. On September 9, 2016, Lead Plaintiffs opposed the request, and the parties submitted additional letters to the Court thereafter. On September 23, 2016, the Court granted Defendant's request to end the Class Period on June 2, 2011. On October 7, 2016, Lead Plaintiffs filed a motion for reconsideration or certification of an appeal of the September 23, 2016 decision, and Defendant filed its opposition to the motion on October 24, 2016. Lead Plaintiffs filed their reply to the motion on November 3, 2016, and on February 2, 2017, the Court denied the motion.

On October 31, 2016, Defendant filed its petition for a writ of certiorari with the U.S. Supreme Court, and Lead Plaintiffs filed their Second Amended Class Action Complaint for Violations of the Federal Securities Laws (the "SAC"), alleging a Class Period covering March 25, 2011 to June 2, 2011, inclusive. Defendant filed its answer to the SAC on November 30, 2016. Lead Plaintiffs opposed the certiorari petition on February 8, 2017, and Defendant filed its reply on February 21, 2017.

On March 27, 2017, the Supreme Court granted Defendant's petition for certiorari, and on April 5, 2017, after letter briefing from the parties, the Court stayed all proceedings pending resolution of the appeal. Defendant filed its opening brief in the Supreme Court on June 21, 2017. Lead Plaintiffs filed their answering brief on August 31, 2017. Defendant filed its reply brief on October 2, 2017.

In an effort to settle the Litigation, Lead Plaintiffs and Defendant engaged the services of Bruce A. Friedman, Esq. of JAMS, an experienced mediator. They prepared detailed mediation statements and engaged in a full-day in-person mediation session with Mr. Friedman on September 14, 2017. These efforts culminated with the parties agreeing in principle to settle the Litigation for Six Million Five Hundred Thousand Dollars (\$6,500,000), subject to the negotiation of the terms of a Stipulation of Settlement and approval by the Court.

3. Why is there a settlement?

The Court has not decided in favor of Defendant or in favor of Lead Plaintiffs. Instead, both sides agreed to the Settlement to avoid the distraction, costs and risks of further litigation, and Lead Plaintiffs agreed to the Settlement in order to ensure that Class Members will receive compensation.

³ Defendant filed its answer to the Complaint on December 2, 2013.

WHO IS IN THE SETTLEMENT

To see if you will get money from this Settlement, you first have to decide if you are a Class Member.

4. How do I know if I am a Member of the Class?

The Court directed that everyone who fits this description is a Class Member: ***all Persons who purchased or otherwise acquired SAIC common stock during the period from March 25, 2011, through and including June 2, 2011***, except those Persons and entities that are excluded.

Excluded from the Class are: the Former Defendants, the officers and directors of Leidos, formerly SAIC, during the Class Period, members of their immediate families and their legal representatives, heirs, successors or assigns, and any entity in which Defendant or the Former Defendants have or had a controlling interest. Also excluded from the Class is any Class Member that validly and timely excludes themselves therefrom by submitting a request for exclusion in accordance with the requirements set forth in question 11 below.

Please Note: Receipt of this Notice does not mean that you are a Class Member or that you will be entitled to receive a payment from the Settlement. If you are a Class Member and you wish to be eligible to participate in the distribution of proceeds from the Settlement, you are required to submit the Proof of Claim that is being distributed with this Notice and the required supporting documentation as set forth therein postmarked or submitted online on or before February 14, 2020.

5. What if I am still not sure if I am included?

If you are still not sure whether you are included, you can ask for free help. You can contact the Claims Administrator toll-free at 1-866-650-3902 or you can fill out and return the Proof of Claim enclosed with this Notice package to see if you qualify.

THE SETTLEMENT BENEFITS – WHAT YOU GET

6. What does the Settlement provide?

The Settlement provides that, in exchange for the release of the Released Claims (defined below) and dismissal of the Litigation, Leidos has agreed to pay (or cause to be paid) \$6.5 million in cash to be distributed after taxes, fees, and expenses, *pro rata*, to Class Members who send in or submit a valid Proof of Claim pursuant to the Court-approved Plan of Allocation. The Plan of Allocation is described in more detail at the end of this Notice.

7. How much will my payment be?

Your share of the Net Settlement Fund will depend on several things, including the total amount of claims represented by the valid Proofs of Claim that Class Members send in or submit, compared to the amount of your claim, all as calculated under the Plan of Allocation discussed below.

HOW YOU GET A PAYMENT – SUBMITTING A CLAIM FORM

8. How can I get a payment?

To be eligible to receive a payment from the Settlement, you must submit a Proof of Claim. A Proof of Claim is enclosed with this Notice or it may be downloaded at www.SAICSecuritiesSettlement.com. Read the instructions carefully, fill out the Proof of Claim, include all the documents the form asks for, sign it and **mail or submit it online so that it is postmarked (if mailed) or received (if submitted online) no later than February 14, 2020**. The Proof of Claim may be submitted online at www.SAICSecuritiesSettlement.com.

9. When would I get my payment?

The Court has scheduled a Settlement Hearing on January 8, 2020, at 10:30 a.m. ET, to decide whether to approve the Settlement. If the Court approves the Settlement, there might be appeals. It is always uncertain whether appeals can be resolved, and if so, how long it would take to resolve them. It also takes time for all the Proofs of Claim to be processed. Please be patient.

10. What am I giving up to get a payment or to stay in the Class?

Unless you timely and validly exclude yourself, you will remain a Class Member, and that means you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or its Related Parties about the Released Claims (as defined below) in this case. It also means that all of the Court's orders will apply to you and legally bind you. If you remain a Class Member, and if the Settlement is approved, you will give up all "Released Claims" (as defined below), including "Unknown Claims" (as defined below), against the "Released Persons" (as defined below):

- "Related Parties" means each of Leidos', formerly SAIC's, direct controlling persons, associates, related or affiliated entities, and each and all of their respective past or present officers, directors, employees, partners, members, principals, agents, representatives, attorneys, auditors, financial or investment advisors, consultants, underwriters, accountants, investment bankers, commercial bankers, entities providing fairness opinions, advisors, insurers, reinsurers, heirs, spouses, executors, trustees, general or limited partners or partnerships, limited liability companies, members, joint ventures, personal or legal representatives, estates, administrators, predecessors, successors or assigns, or any member of their immediate families, marital communities or any trusts for which any of them are trustees, settlers or beneficiaries or anyone acting or purporting to act for or on behalf of them or their successors.
- "Released Claims" means any and all claims, rights, duties, controversies, obligations, demands, actions, debts, sums of money, suits, contracts, agreements, promises, damages, losses, judgments, liabilities, allegations, arguments and causes of action of every nature and description, whether known or unknown, whether arising under federal, state, local, common, statutory, administrative or foreign law, or any other law, rule, ordinance, administrative provision or regulation, at law or in equity, whether class or individual in nature, whether fixed or contingent, whether accrued or unaccrued, whether liquidated or unliquidated, whether matured or unmatured, which arise out of or relate in any way to: (i) the purchase or acquisition of SAIC common stock during the Class Period, and (ii) the allegations, transactions, facts, matters, events, disclosures, registration statements, public filings, acts, occurrences, representations, statements, omissions or failures to act that were or could have been alleged by Lead Plaintiffs or any Class Member in the Litigation. "Released Claims" does not include claims to enforce the Settlement. "Released Claims" includes "Unknown Claims" as defined below.
- "Released Defendant's Claims" means any and all claims, rights, duties, controversies, obligations, demands, actions, debts, sums of money, suits, contracts, agreements, promises, damages, losses, judgments, liabilities, allegations, arguments, and causes of action of every nature and description (including Unknown Claims), whether arising under federal, state, local, common, statutory, administrative, or foreign law, or any other law, rule or regulation, at law or in equity, that arise out of or relate in any way to the institution, prosecution or settlement of the claims against Defendant and the Former Defendants in the Litigation, except for claims relating to the enforcement of the Settlement.
- "Released Persons" means the Defendant Leidos (formerly SAIC) and its Related Parties.
- "Unknown Claims" means any and all Released Claims which Lead Plaintiffs, Lead Plaintiffs' Counsel or any Class Members do not know or suspect to exist in his, her or its favor at the time of the release of the Released Persons and any and all Released Defendant's Claims that the Released Persons do not know or suspect to exist in his, her or its favor at the time of the release of the Lead Plaintiffs, Lead Plaintiffs' Counsel, or any Class Members, which, if known by him, her or it, might have affected his, her or its settlement with and release of the Released Persons, Lead Plaintiffs, Lead Plaintiffs' Counsel or Class Members, or might have affected his, her or its decision(s) with respect to the Settlement, including, but not limited to, whether or not to object to this Settlement or to the release of the Released Persons, Lead Plaintiffs, Lead Plaintiffs' Counsel or Class Members. With respect to any and all Released Claims and Released Defendant's Claims, the Settling Parties stipulate and agree that, upon the Effective Date, the Settling Parties shall expressly waive and each of the Settling Parties shall be deemed to have, and by operation of the Judgment shall have, expressly waived to the fullest extent permitted by law, the provisions, rights, and benefits of California Civil Code §1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

The Settling Parties shall expressly waive and each of the Class Members shall be deemed to have, and by operation of the Judgment shall have, expressly waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, principle of common law or any provision of foreign law, which is similar, comparable or equivalent to California Civil Code §1542. The Settling Parties acknowledge that they may hereafter discover facts in addition to or different from those which he, she, it or their counsel now knows or believes to be true with respect to the subject matter of the Released Claims or Released Defendant's Claims, but the Settling Parties shall expressly settle and release, and each Class Member, upon the Effective Date, shall be deemed to have, and by operation of the Judgment shall have, fully, finally and forever settled and released any and all Released Claims and Released Defendant's Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts. The Settling Parties acknowledge, and the Class Members shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for and is a key element of the Settlement of which this release is a part.

EXCLUDING YOURSELF FROM THE CLASS

If you do not want to participate in this Settlement, and you want to keep the right to potentially sue the Defendant and the other Released Persons, on your own, about the claims being released by the Settlement, then you must take steps to remove yourself from the Class. This is called excluding yourself – or is sometimes referred to as “opting out.” If you are requesting exclusion because you want to bring your own lawsuit based on the matters alleged in the Litigation, you may want to consult an attorney and discuss whether any individual claim that you may wish to pursue would be time-barred by the applicable statutes of limitation or repose.

11. How do I opt out of the Class and the proposed Settlement?

To exclude yourself from the Class and the Settlement, you must send a letter by First-Class Mail stating that you “request exclusion from the Class in the *SAIC Securities Litigation*.” You **cannot** exclude yourself by telephone or e-mail. Your letter must include your purchases, acquisitions and sales of SAIC common stock during the Class Period, including the dates, the number of shares of SAIC common stock purchased, acquired or sold and price paid or received for each such purchase, acquisition or sale. In addition, you must include your name, address, telephone number, and your signature. You must submit your exclusion request so that it is **postmarked no later than December 16, 2019** to:

SAIC Securities Settlement
Claims Administrator
EXCLUSIONS
c/o Gilardi & Co. LLC
3301 Kerner Blvd.
San Rafael, CA 94901

Your exclusion request must comply with these requirements in order to be valid. If you ask to be excluded, you will not receive any payment from the Settlement, and you cannot object to the Settlement. You will not be legally bound by anything that happens in this lawsuit, and you may be able to sue the Defendant and the other Released Persons about the Released Claims in the future.

12. If I do not exclude myself, can I sue the Defendant and the other Released Persons for the same thing later?

No. Unless you exclude yourself, you give up any rights you may potentially have to sue the Defendant and the other Released Persons for any and all Released Claims. If you have a pending lawsuit against the

Released Persons speak to your lawyer in that case immediately. You must exclude yourself from the Class in this Litigation to continue your own lawsuit. Remember, the exclusion deadline is December 16, 2019.

13. If I exclude myself, can I get money from the proposed Settlement?

No. If you exclude yourself, you should not send in a Proof of Claim to ask for any money. But, if you do exclude yourself, you may have the right to potentially sue or be part of a different lawsuit against the Defendant and the other Released Persons.

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in this case?

The Court ordered that the law firm of Robbins Geller Rudman & Dowd LLP represents the Class Members, including you. These lawyers are called Lead Counsel. If you want to be represented by your own lawyer, you may hire one at your own expense.

15. How will the lawyers be paid?

Lead Counsel will not apply to the Court for an award of attorneys' fees, but will apply to the Court for an award of expenses and costs not to exceed \$340,000 in connection with the Litigation, plus interest on such costs and expenses at the same rate as earned by the Settlement Fund. Such sums as may be approved by the Court will be paid from the Settlement Fund.

OBJECTING TO THE SETTLEMENT

You can tell the Court that you do not agree with the Settlement or any part of it.

16. How do I tell the Court that I object to the proposed Settlement?

If you are a Class Member, you can comment or object to the proposed Settlement, the proposed Plan of Allocation, Lead Counsel's expense application and/or Lead Plaintiffs' time and expense request. You can write to the Court setting out your comment or objection. The Court will consider your views. To comment or object, you must send a signed letter saying that you wish to comment on or object to the proposed Settlement in the *SAIC Securities Litigation*. Include your name, mailing address, daytime telephone number, e-mail address and your signature, state the number of shares of SAIC common stock owned as of the beginning of trading on March 25, 2011 (the first day of the Class Period), identify the date(s), price(s), and number(s) of shares of SAIC common stock you purchased, acquired, and sold during the Class Period, and state your comments or the reasons why you object to the proposed Settlement, Plan of Allocation and/or expense application. You must also include copies of documents demonstrating such purchase(s), acquisition(s) and/or sale(s). Your comments or objection must be filed with the Court and mailed or delivered to each of the following addresses such that it is **received no later than December 16, 2019**:

17. What is the difference between objecting and excluding?

Objecting is simply telling the Court that you do not like something about the Settlement. You can object **only** if you stay in the Class.

Excluding yourself is telling the Court that you do not want to be paid and do not want to release any claims you think you may have against Defendant and its Related Parties. If you exclude yourself, you cannot object to the Settlement because it does not affect you.

THE COURT'S SETTLEMENT HEARING

The Court has scheduled a hearing to decide whether to approve the proposed Settlement. You may attend and you may ask to speak, but you do not have to.

18. When and where will the Court decide whether to approve the proposed Settlement?

The Court has scheduled a Settlement Hearing at **10:30 a.m. ET, on January 8, 2020**, in the Courtroom of the Honorable Deborah A. Batts at the United States District Court for the Southern District of New York, Daniel Patrick Moynihan U.S. Courthouse, 500 Pearl Street, New York, NY 10007. At the hearing, the Court will consider whether the Settlement and the Plan of Allocation are fair, reasonable, and adequate. If there are objections, the Court will consider them, even if you do not ask to speak at the hearing. The Court may listen to people who have asked to speak at the hearing. The Court may also issue a ruling on Lead Counsel's application for expenses (which request may include an application for reimbursement for Lead Plaintiffs' time and expenses in representing the Class in an amount not to exceed \$20,000, in the aggregate). After the Settlement Hearing, the Court will decide whether to approve the Settlement and the Plan of Allocation. We do not know how long these decisions will take. You should be aware that the Court may change the date and time of the Settlement Hearing, or adjourn the Settlement Hearing, without another notice being sent to Class Members. If you want to attend the hearing, you should check with Lead Counsel or the Settlement website www.SAICSecuritiesSettlement.com beforehand to be sure that the date and/or time has not changed.

19. Do I have to come to the hearing?

No. Lead Counsel will answer questions the Court may have. But, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but that is not necessary. Class Members do not need to appear at the hearing or take any other action to indicate their approval.

20. May I speak at the hearing?

If you object to the Settlement, the Plan of Allocation or the fee and expense application, you may ask the Court for permission to speak at the Settlement Hearing. To do so, you must include with your objection (see question 16 above) a statement saying that it is your "Notice of Intention to Appear in the *SAIC Securities Litigation*." Persons who intend to object to the Settlement, the Plan of Allocation and/or any expenses to be awarded to Lead Counsel (including any reimbursement to Lead Plaintiffs for their time and expenses representing the Class) and desire to present evidence at the Settlement Hearing must include in their written objections the identity of any witnesses they may call to testify and exhibits they intend to introduce into evidence at the Settlement Hearing. Your notice of intention to appear must be **received no later than December 16, 2019**, and addressed to the Clerk of Court, Lead Counsel, and Defendant's counsel at the addresses listed above in question 16.

You cannot speak at the hearing if you exclude yourself from the Class.

IF YOU DO NOTHING

21. What happens if I do nothing?

If you do nothing, you will not receive any money from this Settlement. In addition, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit or be part of any other lawsuit against Defendant and its Related Parties about the Released Claims in this case, ever again.

GETTING MORE INFORMATION

22. How do I get more information?

For even more detailed information concerning the matters involved in this Litigation, you can obtain answers to common questions regarding the proposed Settlement by contacting the Claims Administrator toll-free at 1-866-650-3902. Reference is also made to the Stipulation, to the pleadings in support of the Settlement, to the Orders entered by the Court, and to the other Settlement-related papers filed in the Litigation, which are posted on the Settlement website at www.SAICSecuritiesSettlement.com, and may be inspected at the Office of the Clerk of the United States District Court for the Southern District of New York, Daniel Patrick Moynihan U.S. Courthouse, 500 Pearl Street, New York, NY 10007, during regular business hours. PLAN OF ALLOCATION OF NET SETTLEMENT FUND AMONG CLASS MEMBERS

The Settlement Amount of \$6.5 million and any interest earned thereon is the "Settlement Fund." The Settlement Fund, less all taxes and approved costs and expenses (the "Net Settlement Fund"), shall be distributed to Class Members who submit Proofs of Claim to the Claims Administrator ("Authorized Claimants"). The Plan of Allocation provides that you will be eligible to participate in the distribution of the Net Settlement Fund only if you have an overall net loss on all of your transactions in SAIC common stock during the Class Period.

For purposes of formulating the Plan of Allocation and determining the amount an Authorized Claimant may recover under it, Lead Counsel has conferred with its damages consultant.

In the unlikely event there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's claim, as defined below. If, however, and as is more likely, the amount in the Net Settlement Fund is not sufficient to permit payment of the total claim of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's claim bears to the total of the claims of all Authorized Claimants. Payment in this manner shall be deemed conclusive against all Authorized Claimants. Allowed claims will also be subjected to the statutory 90-day look-back amount provided for in the Private Securities Litigation Reform Act of 1995 ("PSLRA").⁴

The calculation of claims below is not an estimate of the amount you will receive. It is a formula for allocating the Net Settlement Fund among all Authorized Claimants. The allocation below is based on the market adjusted June 3, 2011 price decline of \$0.28, as well as the statutory PSLRA 90-day look-back amount of \$15.77. Furthermore, if any of the formulas set forth below yield an amount less than or equal to \$0.00, the claim per share shall be \$0.00.

A "claim" will be calculated as follows:

For shares SAIC common stock purchased, or otherwise acquired, on or between March 25, 2011 through June 2, 2011, the claim per share shall be as follows:

- a) If sold prior to June 3, 2011, the claim per share is zero.
- b) If retained at the end of June 2, 2011 and sold prior to August 31, 2011, the claim per share shall be the least of: (i) \$0.28, or (ii) the difference between the purchase price and the selling price, or (iii) the difference between the purchase price and the average closing price up to the date of sale as set forth in the table below.
- c) If retained, or sold, on or after August 31, 2011, the claim per share shall be the lesser of: (i) \$0.28, or (ii) the difference between the purchase price and \$15.77.

⁴ Pursuant to Section 21D(e)(1) of the PSLRA, "in any private action arising under this chapter in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market."

The date of purchase, acquisition or sale is the “contract” or “trade” date as distinguished from the “settlement” date. All purchase, acquisition, and sale prices shall exclude any fees and commissions. The receipt or grant by gift, devise or operation of law of SAIC common shares during the Class Period shall not be deemed a purchase, acquisition or sale of SAIC common shares for the calculation of a claimant’s recognized claim, nor shall it be deemed an assignment of any claim relating to the purchase of such shares unless specifically provided in the instrument of gift or assignment. The receipt of SAIC common shares during the Class Period in exchange for securities of any other corporation or entity shall not be deemed a purchase, acquisition or sale of SAIC common stock.

For Class Members who held SAIC common shares at the beginning of the Class Period or made multiple purchases, acquisitions or sales during the Class Period, the First-In, First-Out (“FIFO”) method will be applied to such holdings, purchases, acquisitions, and sales for purposes of calculating a claim. Under the FIFO method, sales of SAIC common shares during the Class Period will be matched, in chronological order, first against shares held at the beginning of the Class Period. The remaining sales of SAIC common shares during the Class Period will then be matched, in chronological order, against shares purchased or acquired during the Class Period.

A Class Member will be eligible to receive a distribution from the Net Settlement Fund only if a Class Member had a net overall loss, after all profits from transactions in all SAIC common shares described above during the Class Period are subtracted from all losses. However, the proceeds from sales of shares that have

been matched against the shares held at the beginning of the Class Period will not be used in the calculation of such net loss. No distributions will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. No Person shall have any claim against Lead Plaintiffs, Lead Plaintiffs' Counsel, the Claims Administrator or other Person designated by Lead Counsel, Defendant, or Defendant's counsel based on distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation or further orders of the Court. All Class Members who fail to complete and submit a valid and timely Proof of Claim shall be barred from participating in distributions from the Net Settlement Fund (unless otherwise ordered by the Court), but otherwise shall be bound by all of the terms of the Stipulation, including the terms of any judgment entered and the releases given.

Please contact the Claims Administrator or Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim. If you are unsatisfied with the determinations, you may ask the Claims Administrator and Lead Counsel to reconsider the determination.

Defendant, its counsel, and all other Released Persons will have no responsibility or liability whatsoever with respect to the Settlement Fund, the Net Settlement Fund, the Plan of Allocation or the payment or non-payment of any claim. Lead Plaintiffs and Lead Plaintiffs' Counsel, likewise, will have no liability for their reasonable efforts to execute, administer, and distribute the Settlement.

Distributions will be made to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. The Net Settlement Fund shall be distributed to Authorized Claimants substantially in accordance with the Plan of Allocation set forth above and approved by the Court. If there is any balance remaining in the Net Settlement Fund after six (6) months of the initial date of distribution of the Net Settlement Fund (whether by reason of tax refunds, uncashed checks or otherwise), Lead Counsel shall, if economically feasible, make a second distribution to claimants who cashed their checks from the initial distribution and who would receive at least \$10.00, after payment of the estimated costs, expenses, or fees to be incurred in administering the Net Settlement Fund and in making this second distribution. These redistributions shall be repeated, if economically feasible, until the balance remaining in the Net Settlement Fund is *de minimis* and such remaining balance shall then be distributed to an appropriate non-sectarian, non-profit charitable organization serving the public interest selected by Lead Counsel and approved by the Court.
